

## Spring Banquet in Northwest Iowa

“Unity and Fellowship Among Covenant Youth” was the theme for the spring banquet sponsored by the Doon’s Young People’s Society on March 10. The banquet was well attended by both the young People’s Societies of Jull and Edgerton. The spirit among the crowd was lively and gay, with a touch of anticipation for the coming meal and program.

The guests were first served punch, then they were seated for the menu of roasted chicken.

A special number from each society was presented for part of the following program. Rev. Lanting delivered a message on the chosen theme and a few psalter numbers were also sung.

“It was great.” “I liked it,” “Neat” and “Let’s do it again,” were some of the comments about the success about the banquet.
